Plain Curry

The basic of all curries, and still one of the favourites.

Madras Dishes

This is a hotter version of a plain curry, plenty of red chillies. Hot and tasty

Vindaloo Dishes

An extremely hot curry sauce using black peppers for pungency and lemon juice for sharpness

Korma Dishes

A preparation of mild spices in which cream & coconut is used to create the delicacy of its flavour & creamy texture

Pathia Dishes

A famous Parsee dish. This dish is cooked using a combination of lentil and garlic creating a sweet and tangy sauce full of flavours

Dansak Dishes

Another famous Parsee dish. This is a medium spiced, sweet & sour sauce with pineapple, lentils and laced with lemon juice. An excellent curry with contrasting flavours and textures

Bhuna Dishes

Bhuna is first and foremost a cooking process where garlic, finely chopped onions and medium hot spices are gently fried in oil to bring out their flavour, meat is added to the sauce and cooked in its own juices which result in deep strong flavours but very little sauce

Dupiaza Dishes

Similar style of cooking to the Bhuna dishes, but diced onions and peppers are spiced and cooked separately before being added to the dish, with medium spices

Rogan Josh Dishes

Another all time favourite, originally a Kashmiri dish. Cooked using plenty of fresh tomatoes, garlic and fresh coriander to create an exquisite dish.

Malayan

Mild spices with cream, banana and pineapple are used to create a unique flavour

Sri Lanka

Sri Lanka curries are made from strongly flavoured spices which makes them fairly hot but with a coconut flavour

masala dishes...

Traditional tandoori meat barbecued in tandoor, then cooked with fresh coconut, peanut powder with a mixture of medium spices giving a unique taste and rich flavour
